КАРТЫ

игральные

Универсальная масть:

Бьёт карты любой масти,
включая козырную
и сверхкозырную,
меньшие по значению.

Может быть побита
картой любой масти,
превосходящей по значению.

Сверхкозырная масть:

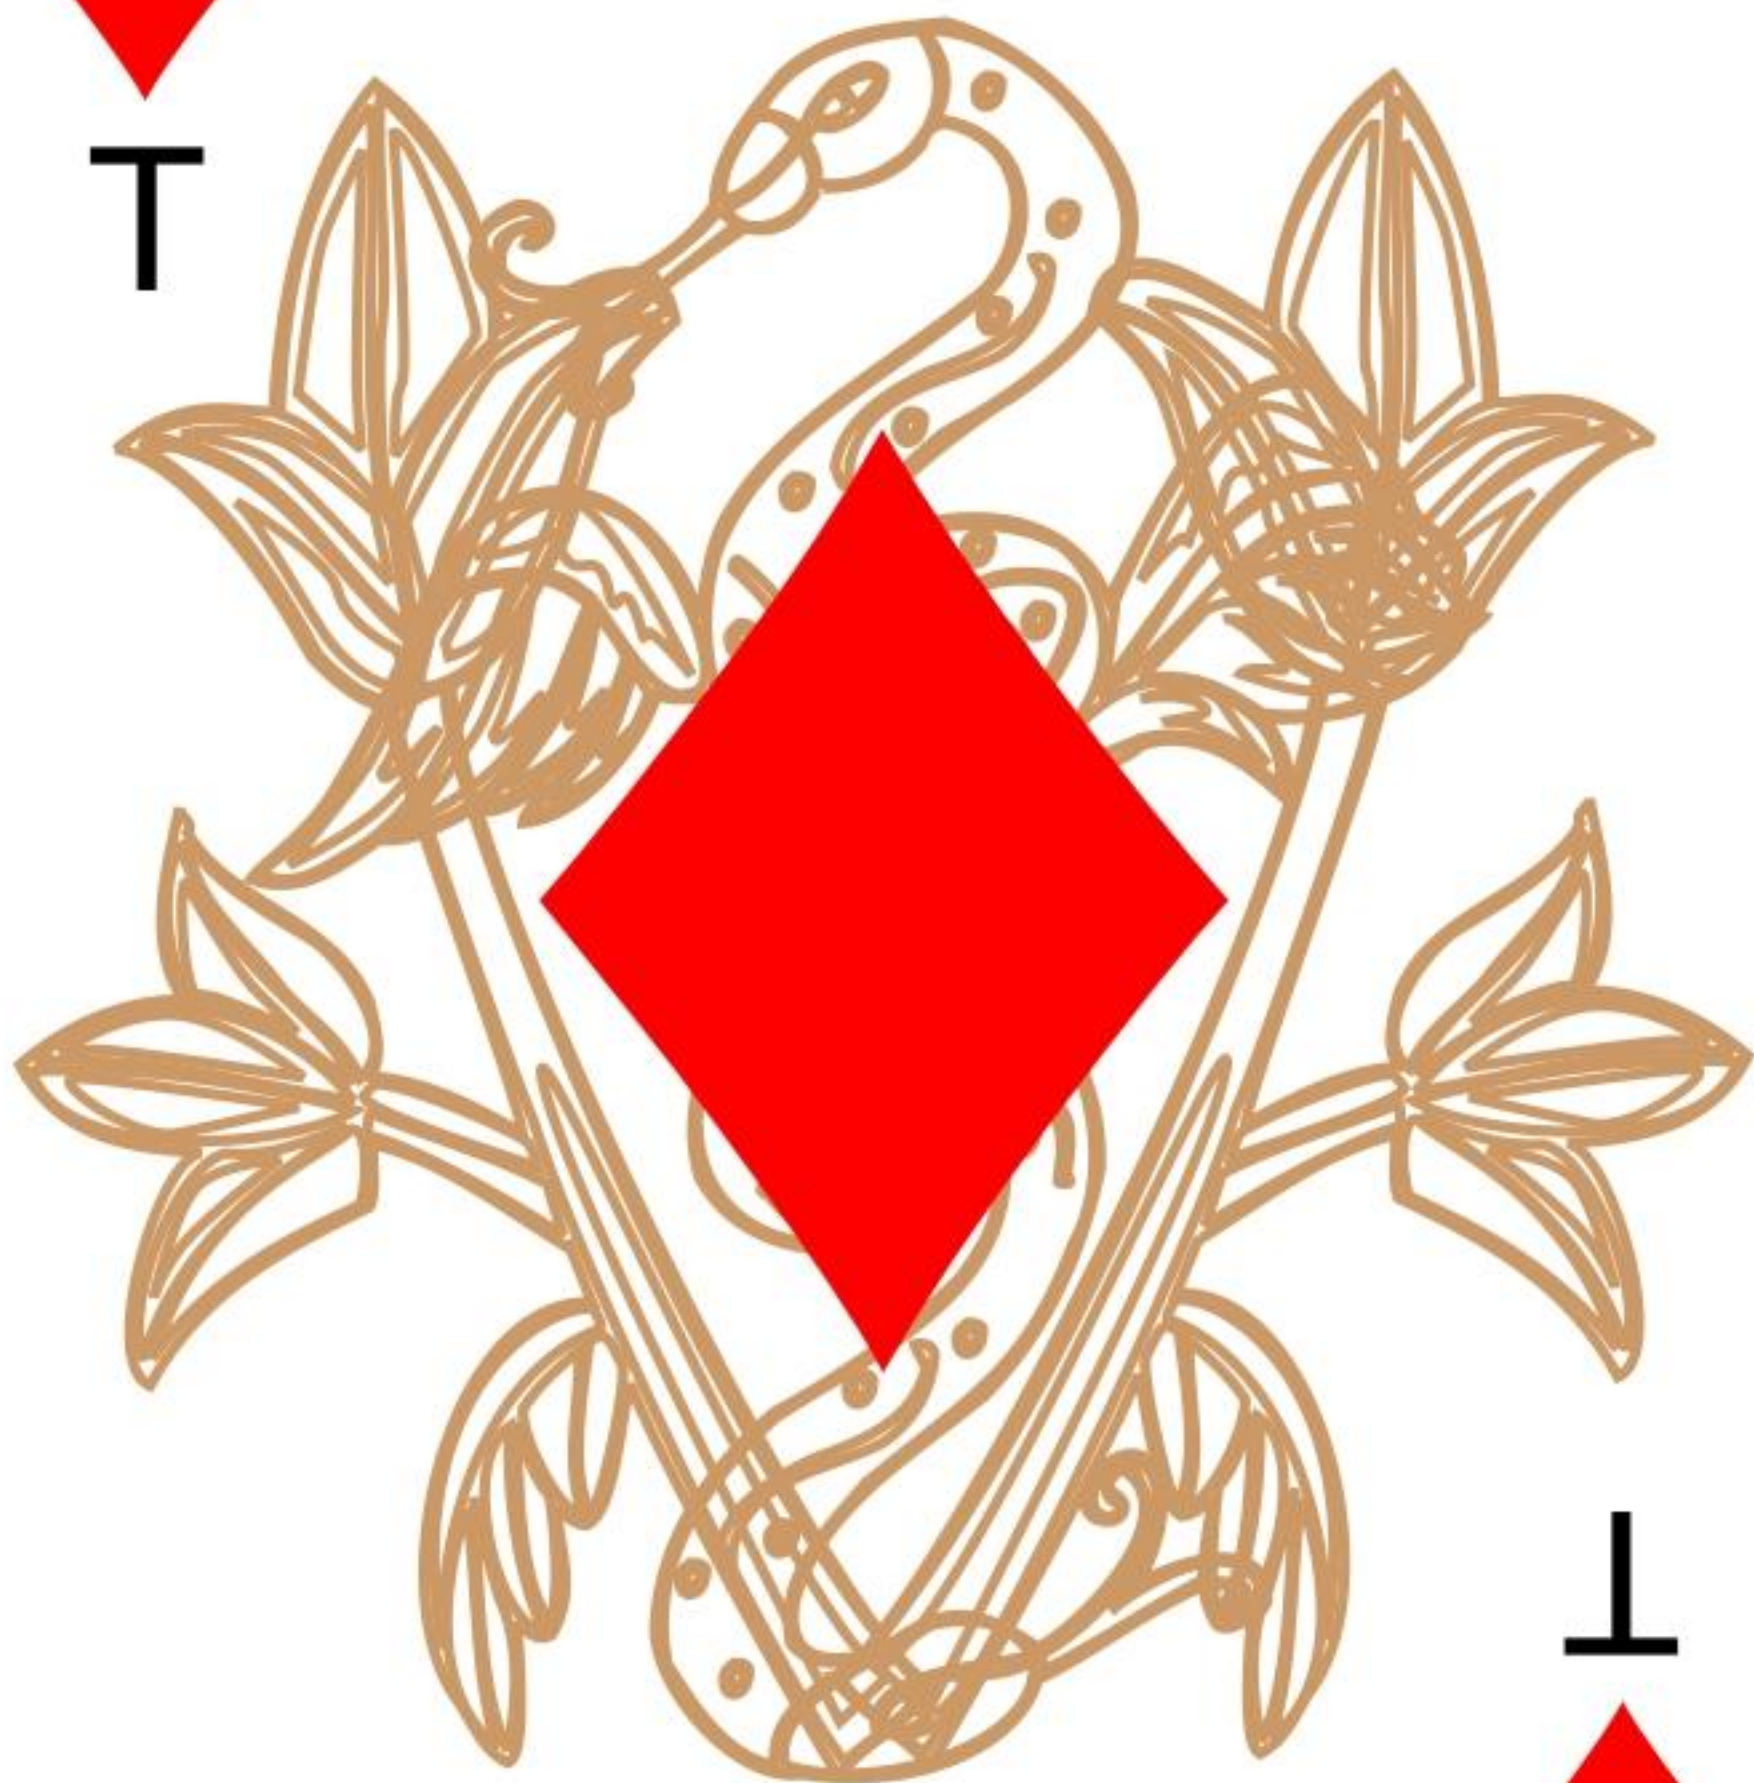

Бьёт карты любой масти,
включая избранных козырей.

Может быть побита
картами универсальной
и сверхкозырной масти,
превосходящими по значению.
